A Canadian Volunteer Organization Serving Communities

A Charity we can call our own!

The Elks & Royal Purple Fund for Children is a grass roots charity and remains a proud tradition of our Lodges and members all across Canada. The charity relies on donations from Lodges through their fundraising efforts and personal contributions. Our donors know that through their on-going support, they are making a real and measurable difference in the lives of countless children in need. Many children have benefited, but much work remains to be done.

The Fund for Children was established so members of the Order had a national instrument to complement their local charitable and community service efforts.

The national charity provides a unified focus and objective for the members and is a great source of pride among our lodges.
